"FOR OUR BROTHER"

You gave no one a last farewell..

Nor ever said goodbye..

You were gone before we knew it, and only god knows why..

A million times we will miss you..

A million times we will cry..

If love alone could have saved you..

You never would have left..

In life we loved you dearly..

In death we love you still..

In my heart you hold a place no one else can fill..

It broke our hearts to lose you, but you didn't go alone, for part of us
went with you, the day God took you home...

We will meet again someday..

We know in a better place.

We thank God he made you our brother while you were here on earth..

We miss you and love you very much brother!!!

Love

A POEM

”FOR OUR UNCLE”

We have so many memories
Of the times we spent together,
And even though you're no longer here,
We'll cherish them forever.
We miss your laughter so much
and the mischief in your smile.
When we feel the sadness welling up
We'll remember it a while.
For though you are no longer here,
We'll never be truly gone.
So long as we have these memories,
Your spirit will carry on.
So until we see your smile again,
We'll hold you in our heart and mind.
A shining example, our uncle
Of the best of humankind.

Forever,

*Anthony, Ianichia, Ashley, Cornelius, Jacques,
Kiley & Denim Saje.*

THE AMERICAN LEGION NUMBER 2 VOL. 13

American Legion Riders
Pedro Lopez

To All the Legion Family Members,

For this month's newsletter, I have the pleasure of reporting Lenny Francioni represented Post 60 and the Legion Riders at the Maryland State Police (MSP) Polar Bear Plunge. Lenny was able to meet his very modest fund raising goal. Hopefully next year we can use the newsletter to garner more support for Lenny's annual MSP Plunge fundraising.

Our 50-50 drawing for January was not as robust as December, but the proceeds were still good. Our winner, Mr. Devin McCall took home \$177.00. We will be adding this to our earlier proceeds for our annual donation to the Legacy 50-50 drawing January 18th. (Photo Courtesy of Denise Person)

ALR Member Bruce Person presenting Devin McCall with his winnings from the Scholarship Fund. Again, this was another stellar effort by Denise and Bruce Person.

We haven't been riding and it is beginning to wear our nerves. There is no cure except for better weather and some riding. So here's hoping for some hot days that we can get out and put some miles on our bikes.

next month, I remain fraternally yours,
Lopez

BACK TOGETHER AGAIN

"THREE THE HARD WAY"

THE LEGACY CONTINUES...

A POEM FROM HEAVEN

To My Dearest Family,

There are some things I'd like to say, but first of all, to let you know, that I arrived okay. I am writing this from Heaven; here I dwell with God above. Here, there is no more tears of sadness; here is just eternal love.

Please do not be unhappy just because I am out of sight. Remember that I am with you morning, day and night. That day I had to leave you, when my life on earth was through, God picked me up and hugged me, and He said, "I welcome you, it's good to have you back again you were missed while you were gone. As for your family, they'll be here later on. I need you here badly, as you are part of my special plan. There is so much that we have to do to save our mortal man." God gave me a list of things that He wished for me to do and foremost on the list, was to watch and care for you. When you lie in bed at night, the days chores put to flight. God and I are closest to you... in the middle of the night. When you think about my life on earth, and all those loving years, because you are only human, they are bound to bring up tears. But do not be afraid to cry; it does relieve the pain, remember there would be no flowers, unless there was some rain. I wish that I could tell you all that God has planned, If I were to tell you, you wouldn't understand. But one thing is for certain, though my life on earth is over, I'm closer to you now, than I ever was before.

There are many rocky roads ahead of you and many hills to climb; but together we can do it by taking one day at a time. It was always my belief and I'd like it for you too; that as you give unto the world, the world will give unto you. If you can help somebody who is in sorrow and pain, then you can say to God at night... "My day was not in vain" and now I am contented... that my life was worthwhile, knowing as I passed along the way I made somebody smile. So if you meet somebody who is sad and feeling low; just lend a hand to pick them up, as you go along the way. When you're walking down the street and you've got me on your mind, I'm walking in your footsteps only half a step behind. When it's time for you to go... from that body to be free, remember, you are not going... ***you are coming here to me.***
