Mom

We've had such a range of emotions while trying to gather our thoughts and words. It's hard to breathe right now... The pain will never end. Momma, you tried to hang in there. We knew that you were frustrated and tired being trapped in a body that no longer worked while your mind was still clear. We could hear the sadness in your voice and see the pain in your eyes. The selfish part of us wanted you to stay. We know that you are now at peace. We know that you are whole again and this is what gives us peace. Yes, we will still have tears and we will miss you every day. We pray that you will continue to watch over us, your grandsons, Marques, Kevin, and Grant, Grand Pup – Denver and the family. We know that you will still be present in our lives supporting us from Heaven. We love you and we will try to make you proud by being the best we can be. We can only imagine the joy you must feel. You are now with Granny, Auntie and all of our faithful spirits who are marked by God to guard us in all our ways. Love you "Mom" "Baby girl" "Grandma

Weep Not For Me

Weep not for me though I have gone
Into that gentle night
Grieve if you will, but not for long
Upon my soul's sweet flight
I am at peace, my soul's at rest
There is no need for tears
For with your love I was so blessed
For all those many years
There is no pain, I suffer not
The fear is now all gone
Put now these things out of your thoughts
In your memory, I live on
Remember not my fight for breath
Remember not the strife
Please do not dwell upon my death
But celebrate my life
