OBITUARY

Omar Anthony Smith was born September 19, 1991 in Prince Georges County, Maryland to Viola Rogers and Ricardo Smith. He was given the nickname "Little O". Omar was the baby out of his 4 siblings and he was the youngest grandson in the family on both sides. Omar was very family oriented and he had an infectious smile and personality. On February 26, 2023, Omar was called home to be with the Lord.

Omar was educated in Prince Georges County Public Schools. He had a good work ethic and he worked at the National Gaylord Hotel and the Washington Nationals Stadium. His favorite football team was the Atlanta Falcons.

Omar was very sociable and people flocked to him. He was into fashion and his favorite past time was shopping. He loved to pick with his mom and was always making her give him a kiss. He never left out of the door without saying "I love you Ma" and giving her a hug. He loved rap music, but when his mom got in the car with him, he would switch to the Oldies but Goodies station.

Omar's smile would brighten up any room that he walked in. He was known to willingly lend a helping hand to anyone he came in contact with. Omar loved laughing, spending time with family and friends, listening to music, and having fun. He loved all kids.

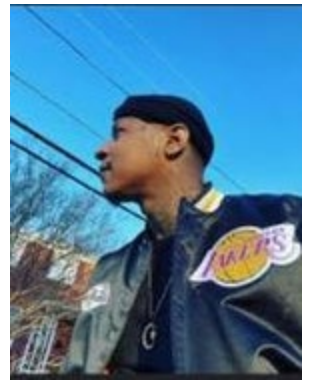

Omar leaves behind to cherish his memory, his mother Viola, his father Ricardo; Brothers: Terrence Rogers, Ricardo Rogers (Tiara), Delonte' Rogers (Victoria); his Sister: Kjianna Smith; Grandmother Wye Jean Smith; 2 Aunts: Sharon Rogers and Charlotte Smith Spencer; 2 uncles: Tyrae Nelson and James Rogers; 5 Nieces: Zhynae, Nicholle, Ti'Carra, Jaleesa, Eryssa; 4 Nephews: Kamirin, Malachi, Emerick, Harlem; Godparent: Donna Logan (Brian); Godsisters and Godbrothers: Cadada Moore, Brian Moore, Donte' Robinson, Najala Logan and Kamara Logan, and a host of other relatives and friends.

*I am saddened each day
of the thought of you
gone and not being able
to write you or get on
your nerves, but we will meet
again, jokester.*

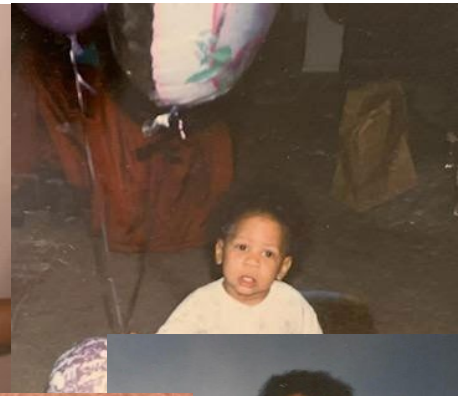

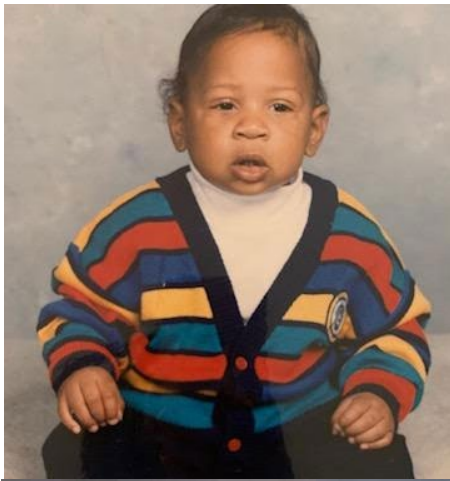

*With Love,
Big Sis*

From Godmom Donna

Godson,
You gave no one a last farewell, nor
never said good-bye.
You Were gone before we knew it,
and only God knows why.
A million times we will miss you, a
million times we will cry.
In our hearts you hold a place, no
one else can ever fill.
It broke our hearts to lose you, but
you didn't go alone, for part of us
went with you, the day God took
you home.
We will meet again someday I
know in a better place. I thank God
he made you my Godson while you were here on earth.

Loved beyond words, Missed beyond measure.
ALWAYS AND FOREVER IN OUR HEARTS

*One thing I can say is you always knew how to light up a room. I love you and I'll miss you. You will forever be in my heart. Love you uncle O.
Love, Nicholle*

*Dear Uncle O,
I am so glad that I was able to see you before I went back to college. I'm sorry that I never got back to you sooner about the painting you asked for.*

I heard stories about how you use to tease me when I was a baby and it made me laugh. The conversation we had on Christmas will forever replay in my head. Hearing the news about you really messed me up. I wish that I had called you or texted you more often. I love you and I am so grateful for the time God has given me to spend time with you.

Love, Your Nae-Nae

You know, I really wish I got to meet you more often Uncle O. I heard lots of funny stories about you though and you seem like a really fun person too. Like that time at Christmas, when I really first met you. It really breaks my heart to hear you were robbed of your life at a young age. Rest in peace Uncle O. I hope you live a peaceful and happy life in heaven with Grandma Ellie. I love you.

Love, Ti'Carra

*I miss you Uncle O.
My heart has been left broken since the day you had to go and the memories I treasure dearly are in the tears that still flow.
You're in my thoughts everyday and that's how it will always be, for you may be up in heaven now but you'll always be with me.
If only I could have the chance to see your face once more or to hear your voice one final time just like it was before.
I was really hoping you will be here to see me graduate middle school, high school and college, but you always can't get what you want can you?
They say there is a reason, they say time will heal neither time or reason will change the way I feel. Gone are the days we use to share, but in my heart, you are always there. The gates of memories will never close, I miss you more than anybody knows. I love and miss you till we meet again always and forever.*

Love, Jaleesa

A Letter From Heaven

*When tomorrow starts without me,
And I'm not there to see,
If the sun should rise and find your eyes,
Filled with tears for me.*

*I wish so much you wouldn't cry,
The way you did today,
While thinking of the many things,
We didn't get to say.*

*I know how much you love me,
As much as I love you,
And each time you think of me,
I know you'll miss me too.*

*When tomorrow starts without me,
Don't think we're far apart,
For every time you think of me,
I'm right here in your heart.*
